

POOL BLANKETS

Insulating | Protective | Durable

WHY BUY A SUNLINE POOL COVER?

SAVE MONEY!

By eliminating evaporation by up to 95%. This can potentially save 8000 and 10,000 litres of water a month in summer!

EXTEND THE SWIMMING POOL SEASON

Utilise a Sunline Pool Blanket in the autumn and spring months and enjoy a warmer pool when it matters. A pool blanket increases the pool temperature by around 6-8°C.

CLEANER POOL

A simple and highly effective way of keeping your pool free of garden debris and insects.

SAVE CHEMICAL LOSS

A Sunline Pool Blanket reduces the degrading effect of the sun's UV on pool chemicals. Which makes the pool water balance easier to maintain and reduces consumption of chemicals

AUSTRALIAN MADE

Sunline Pool Blanket's are the only ISO Accredited bubble plastics extruder in Australia and are 100% Australian made. Sunline is an Australian owned company, when you buy Australian-made and grown products, you can be sure you are keeping your family members and friends employed.
